The Diabetes Centre (TDC) Successfully Organises Iftar Dinner at Islamabad Club

The Management of The Diabetes Centre (TDC) Islamabad, BODs and Guests joined the Fundraising Iftar Dinner at Islamabad Club. Also, the Participants Expressed their Views and Took a Group photo.

On the 24th of April, 2022, The Diabetes Centre (TDC) organised a successful Iftar Dinner at Islamabad Club. The purpose of this dinner was to highlight the soaring perils of diabetes in Pakistan and to raise funds for keeping TDC's treatment efforts intact. It was sponsored by Ferozsons Labs and PharmEvo. Personalities across social and business backgrounds joined this dinner program which ensured it was successful. After the recitation of Holy Verses of The Quran, Mr. Tahir M Abbasi, CEO TDC gave an introductory presentation. He said that TDC has achieved milestones for diabetes treatment and briefed the attendees on the proposed extension projects in Lahore, Sahiwal and other cities.

Soon after, TDC's chairman Dr. Asjad Hameed said thanks to guests for their esteemed presence. He also invited them to visit TDC to see closely how the world class medical services are being offered by us under one roof.

While treating diabetic patients at TDC centres, honest spending is particularly taken care of. A session of question/answer was also part of the program to address the relevant queries from the respected donors.

The participants acknowledged humanitarian services being carried out by TDC and expressed their resolve to cooperate wholeheartedly. In the end, the management said special thanks to the participants and appreciated their arrival and generous monetary contributions.

TDC Organises A Free Screening Camp at Centaurus Mall Islamabad

On the 20th and 21st of April 2022, The Diabetes Centre (TDC) organised a two-day free screening camp at the Centaurus Mall Islamabad. This camp was held as per the directives of TDC's management.

The purpose was to educate people about the rising rate of diabetes in our country. It was also aimed at informing them about the availability of the most advanced treatment facilities at TDC under one roof.

A large number of people were found to get free diagnoses and medicines. Many of them belonging to different walks of life termed this camp as an important milestone against diabetes. TDC team on behalf of its management urged people to join these awareness initiatives to the maximum extent so that diabetes' soaring perils may be reduced.

A Delegation from Australia Visits The Diabetes Centre, Islamabad

On the 26th of April, 2022, a delegation from Australia comprising Shaoquatt Mouselmane Member of Australian Parliament, Dr. Shahbaz Chaudhry, Mr. Naziul Bir from Bangladesh, Mr. Iftikhar Rana, the President of PABC (Australia) and Mr. Nadeem Khan a businessman from Australia visited The Diabetes Centre (TDC) Islamabad.

During a meeting with these guests, Chairman of TDC, Dr. Asjad Hameed said, "TDC provides the best treatment facilities in Pakistan. Among our patients 60% are treated free of charge while the remaining 40% pay for their treatment. We provide treatment at discounted rates to the white-collar segment of our society.

Dr. Asjad Hameed revealed, "An expense of PKR 130 million is being incurred monthly to run the main Hospital in Islamabad exclusive of rest of the Hospital's centres in different cities. Dr Asjad Hameed laid emphasis on funding and donations for sustainable philanthropic services."

Guests also visited different specialities and departments including Eye Care, Foot Care, Education, Pedo Scan and Dialysis department etc. They observed availability of excellent equipment and facilities at the Hospital. A few of them got treatment and expressed satisfaction about the most modern procedures.

The delegation had interaction with patients who said, they feel better after getting treatment from TDC. Mr. Shaoquett Musalemane talking to the media team said, "I appreciate the free of charge services being provided for diabetes treatment at TDC Islamabad. It is a wonderful institute. We will support it in the form of money and donations."

The management said special thanks to the guests for their visit. A shield was also presented to them.

The Diabetes Centre (TDC) Islamabad Provides European Medicines Free of Cost

The Diabetes Centre (TDC) Islamabad has added another chapter to its philanthropic services for the under-privileged.

The deserving patients now get European Medicines free of charge. It is indeed a valuable addition to the state of the art healthcare facilities by TDC.

Now, coupled with the provision of free medication is a worth a relief.

Pakistan People's Party (PPP's) MNA Syed Khursheed Shah visits The Diabetes Centre (TDC) Islamabad

Member National Assembly (MNA) for Pakistan People's Party (PPP), Syed Khursheed Shah on April 2, 2022 visited TDC in Islamabad. He met the Hospital's Management including Chairman Dr. Asjad Hameed and CEO Mr. Tahir M. Abbasi. During this meeting, the vision of TDC's management to provide world class treatment at the main Hospital was acknowledged by the visiting MNA.

Provision of medical services introduced by TDC meant to combat diabetes was discussed in detail. The honourable guest visited different departments including Education, Eye Care, Pedoscan, and Laboratory. He also got treated and expressed his pronounced satisfaction.

Syed Khursheed Shah said, "Public health is a core agenda of our party's manifesto. I wholeheartedly appreciate the TDC's ongoing philanthropic services about diabetes and confirm our cooperation for its future plans."

The management expressed special gratitude to the honourable guest for his visit and also urged upon the need for support of the Government.

Dr. Asjad Hameed (Chairman TDC) joined Ramadan Transmissions Program at PTV Islamabad

On the 7th of April 2022, Dr. Asjad Hameed, Chairman of The Diabetes Centre (TDC) participated in PTV's Ramadan Transmission with the Host Ahsan Khan. This event was held at PTV Islamabad.

According to Dr. Asjad Hameed, diabetes is acute enough to damage human health. Negligence about diabetes has serious repercussions on healthy living.

TDC is a state-of-the-art Hospital in Islamabad that provides International standard treatment under one roof. Answering a question, he stressed the need for monetary assistance from the affluent and prosperous individuals in Pakistan to help TDC grow in diabetes treatment.

The Diabetes Centre (TDC) Organises FundRaising Iftar Dinner in Australia

On the 9th of April, 2022, The Diabetes Centre (TDC) organised a successful Iftar Dinner in Australia to raise funds. The purpose of this dinner was to highlight soaring numbers of diabetic patients in Pakistan and to raise funds for keeping TDC's treatment efforts ongoing. Guests hailing from various social and business backgrounds joined this event which manifested their resolve to be part of this philanthropic activity.

A formal opening was followed by a TDC's introductory overview. A heartfelt gratitude to the esteemed guests was expressed on behalf of TDC's management. Mr. Sheikh Gazi Noshie highlighted the message of Zakat and charity in Islam. Dr. Nida Haseeb speaking to the guests emphasised on the need of awareness about diabetes and various preventive measures necessary to be adopted for a healthy living.

While delivering the treatment services at TDC centres, fair spending is particularly taken care of. A session of question/answer was also involved here to address the relevant queries from the respected donors.

The participants acknowledged humanitarian services being carried by TDC and expressed their resolve to cooperate wholeheartedly for them. In the end, the management said special thanks to the participants and appreciated their arrival and generous contributions.

Cynthia D. Ritchie Supports the Diabetes Centre (TDC) Islamabad

On the 9th of April 2022, Cynthia D. Ritchie made a valuable contribution to the Diabetes Centre (TDC) by dedicating her professional competence to the human cause.

She is a US filmmaker, social media campaigner and an analyst. To contribute to TDC, she created a free-of-charge video for the collection of Zakat and donations which has a cost of PKR 2.5 million. A hefty contribution indeed.

The management said special thanks to her for generous contribution.

The Diabetes Centre (TDC) Islamabad Introduces New Technology in Laboratories

The Diabetes Centre (TDC) Islamabad is persistently growing in both quality and quantity. Concerning laboratory tests, new technological development is seen at the main Hospital recently.

This development is a beam of long-lasting relief to the patients as their waiting time for the laboratory results has significantly reduced.

Dr. Sidra Rafique joined The Diabetes Centre (TDC) Lahore

Recently, Dr. Sidra Rafique joined the Diabetes Centre (TDC) Lahore making a valuable count to the TDC family.
